# Joe Frausto

## CHIPTON ROSS INC

We present this certificate to Joe Frausto in appreciation of his creation of the DB ELDA Viewer. Joe created responded to our request with a powerful tool instead of providing a single point solution. This tool saves us incredible amount of time to all users and creators of enhanced data. We can check, compare, search and analyze data in minutes instead of days. Joe's response to tool comments are so timely that within days the tool becomes even more powerful. This tool has been an outstanding addition to our suit of applications.

Thank you Joe for making our job incredibly easier, and for being so customer focused and responsive!
